

FISCAL NOTE

HB 330 - SB 1138

April 21, 1997

SUMMARY OF BILL: Prohibits court from ordering work release as part of sentence unless local authorities have developed work release program. Allows court to modify sentence and order work release if such a program is developed after the defendant is sentenced. Current law allows a court to order work release whether or not the local jail has a work release program in place.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant

To the extent that courts order work release less frequently than they would in the absence of this bill, local governments will experience an increase in expenditures for the incarceration of inmates.
